Please be sure to continue to send your child in with their letter bags for the week. If you are unsure of what to do, please ask your child's teacher.

Special Note:

Spring is in the air! We are so excited about the month of April. We have so many fun activities planned for this month! We are doing an entire week on Dinosaurs and then Insects, the boys will be very excited. Then we will focus on the Earth and the Weather. Florida's weather is ever changing so we will have a lot to look at and learn.

We would love to borrow any books that you are willing to lend to us regarding Springtime, bugs, spiders, Earth day and dinosaurs.

Also, did you know that when you place an order with scholastic our school earns free books?

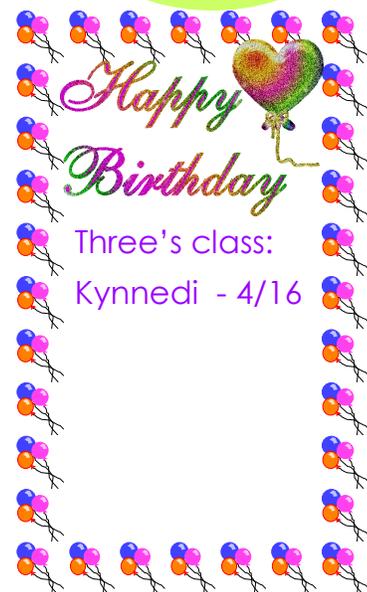

Thank you for your ongoing participation and support in making your child's preschool experience amazing.
