REMINDERS

Valentine Exchange Party:

Friday, February 12, 9-10am, students only

We will exchange cards and then have some sweet treats to celebrate our amazing friendships! We are asking that each parent send in something to share for snack, we will provide the drink. Please remember we are peanut free. (a snack to share for 15 is enough)

Please only have your children write their name on the "From" section of the card so it is easier for them to place in each friend's Valentine bag during the card exchange.

Special Note:

We are having a Valentine's Day party for the children on Friday, February 12th. Please send in Valentine's Day cards by the 10th. Only fill in the "from" section on the card and we will make sure each child receives one from your child. You may attach a small treat or anything small that you wish, they love stickers and tattoos! We will be sharing a variety of sweet treats. These can be anything from mini muffins to a fruit bowl. We are asking that each family donate something if they wish for our sweet treat snack-time, enough for 15 children to have a taste. This should give all of the students plenty to choose from.

I want to thank all of you for making this school year so special for all of the chil-
